License holder is hereby granted permission to provide nuisance wild animal removal or control services in accordance with Chapter 1531.40 of the Revised Code and associated administrative code.

This license must be on file at the business location and must be made available upon request.

THE FOLLOWING CONDITIONS APPLY:

1. Persons possessing a Commercial Nuisance Wild Animal Control License may charge a fee for removal of nuisance wild animals.
2. Any operator or employee that is engaged in the removal or control of nuisance wild animals under authority of this license shall complete a course and pass an examination to receive certification, unless under the direct on-site supervision of a certified operator or employee. On-site supervision shall be while staying within a distance from the person that enables uninterrupted, unaided visual and auditory communications.
3. This license is for business purposes only. Any operator or employee must adhere to Chapter 1533.111 of the Revised Code when participating in recreational trapping.
4. License holders are responsible for the actions of their employees.
